## OFFICE OF MINORITY STUDENT AFFAIRS TRIO MCNAIR SCHOLARS

Established in the Office of Minority Student Affairs (OMSA) in 1990, the TRIO Ronald E. McNair Post-Baccalaureate Achievement Program (McNair Scholars) provides research, mentoring, advising, and graduate school preparation opportunities for eligible sophomores, juniors and seniors. McNair Scholars engage in rigorous research with faculty mentors, attend relevant workshops and seminars, and commit to preparing themselves for doctoral studies following the completion of an undergraduate degree. We envision a program in which all McNair Scholars achieve academic and personal success so they can become the next generation of scientists, researchers, and professors.
